Regarding Foreign Currency

- Azerbaijani Manat is the official currency of Azerbaijan
- 1 azerbaijani Manat = 50.31 INR
- While most establishments (hotels, restaurants and supermarkets, will accept cards, it's a good idea to carry cash for small purchases.
- Exchange money before going and if you need some additional cash while there, the most cost effective way is to use an ATM. Do check with your banks regarding the charges.
- Ensure that the cards you are carrying are activated for international spends.
- We have had a great experience with the site BookMyForex.com. They can deliver cards and even Cash to your home. They also come to collect any leftover cash from you. Some of our clients have used Niyo forex cards and they liked them.

Mobile Connectivity

Azercell, Bakcell and Nar Mobile are the sim card service providers in Azerbaijan

Azercell is considered to be the best in terms of coverage.

You can buy a physical sim or e-sim by visiting an Azercell retail store or authorized reseller and show your ID

The most recommended pack is for 10 AZN which gives you 3 GB of data and 300 minutes of domestic calling

If you prefer, you can instead activate international roaming packs on your India number.

Even if you choose not to purchase an international roaming pack, do ensure your roaming is activated to receive SMS such as for OTPs.
