## Famous Local Swiss Delicacies

**Fondue:** A dish made by melting cheese in a communal pot, it's traditionally enjoyed by dipping bread into the cheese using long-stemmed forks.

**Raclette:** another iconic Swiss cheese dish you can't miss. A wheel of Raclette cheese is heated, and the melted part is scraped onto boiled potatoes, pickles, and onions.

**Rösti:** Originally a breakfast dish from the Swiss-German region of Switzerland, Rösti is now enjoyed all over the country. Think of it as Switzerland's answer to hash browns – crispy, golden brown, and absolutely delicious. It's made by grating potatoes and frying them until they're perfectly crunchy.

**Swiss Pastries:** Switzerland's pastry game is strong. From the buttery, flaky croissants to the sweet, jam-filled Nusstorte from Engadine, these pastries are just delicious.

**Käseschnitte:** Bread slices topped with melted cheese, sometimes with ham or other additions. A hearty and comforting dish. Ask for the vegetarian version.

**Gschwellti (Boiled Potatoes):** A simple yet satisfying side dish commonly served with melted butter or cheese.

**Alplermagronen (Alpine Macaroni):** A traditional dish made with macaroni, cheese, potatoes, onions, and sometimes applesauce (lauterbrunnen)

**Luzerner Lebkuchen:** A type of gingerbread cookie unique to Lucerne, often decorated with colorful icing.

**Chügelipaschtete (Lucerne Saffron Cake):** A sweet and savory pastry filled with a mixture of rice, raisins, saffron, and sometimes meat.

**Swiss Cheese:** Switzerland is famous for its wide variety of cheeses. Try some local specialties like Emmental with its large holes, Gruyère, or Appenzeller with its strong flavor.

**Swiss Chocolate:** Indulge in some of the best chocolate in the world! Switzerland is known for its high-quality chocolate brands like Lindt and Sprüngli.

**Rivella:** A popular Swiss drink made from whey and herbs, available in various flavors.

**Schümli Kaffee:** A small, strong coffee served in a demitasse cup.

**Local Wines:** Switzerland produces some excellent wines.
