- **Rau Muong Xao Toi** is one of the healthiest Vietnamese dishes. It's made by picking out fresh water spinach and frying it with garlic and other Vietnamese herbs and served with a topping of peanut powder. This dish is available in almost all restaurants
- **Goi cuon chay** Vegetarian fresh Vietnamese spring rolls
- **Banh Mi Chay** is the vegetarian version of the famous Vietnamese snack Banh Mi. It is a French style baguette sandwich filled with tofu, cheese or fried eggs. You can even choose to have your Banh Mi filled only with vegetable salad filling.
- **Bun dau mam tom** - This plain-looking tofu and noodle dish is served with mam tom sauce – the Vegemite of Vietnam. The pungent purple dipping sauce is used to flavor the slabs of deep-fried tofu that are at the core of the meal.
- **Banh Khoai Tay Chien** or deep-fried Potato Cakes are made by mashing sweet potato, coconut and green beans all mashed, moulded into cakes and cooked or fried till golden brown. They are served with a peanut dipping and spices.
- **Dau Sot Ca Chua** is an authentic vegetarian Vietnamese dish which consists of yellow tofu pieces with slices of tomato, green onion and Vietnamese herbs. The dish offers a flavourful medley of soft tofu and fresh tomatoes and is best served with steamed rice
- **Cai Xao Nam** is a vegetarian Vietnamese dish made by frying bok choy with shitake mushrooms, served with steamed sticky rice and tofu pieces. The flavour of the shitake mushrooms is brought out by the bok choy and the mushroom or soy sauce that it is fried in, making it one of the most exquisite dishes of the vegetarian food in Vietnam

Getting around in Vietnam

Public Transport

- Apart from tuktuks (cycle driven autos) and buses, there are no other modes of public transport.
- However, the areas of Hanoi, My Khe Beach, Da Nang City and Hoi an are incredibly walkable.
- In general, it is recommended to catch a cab for slightly longer distances because of the affordability.

Cabs

These are the most popular Taxi companies below-

- Grab – (ride hailing app)- you will need a data pack for this to book Taxis on the go. You can set up your account in India and set up your credit card as a payment option, before you leave on vacation
- Uber- (ride hailing app)- you will need a data pack for this to book Taxis on the go. You can use your existing account.
- Vinasun- no app available
- Mai linh- no app available

*Refrain from taking cabs which are not from the above companies to avoid scams.
Our recommendation will be the Grab app for ease, affordability and reliability.*

Mobile Connectivity while in Vietnam

- There are 3 main SIM Card providers in Vietnam, which are Viettel, Vinaphone, and Mobifone.
- **I would recommend Viettel as it is best in terms of coverage** (specially since you are traveling within Vietnam)
- Expect to pay between 150,000-350,000 VND (Rs. 500 - Rs. 1200) for a SIM card and then additional for a prepaid data package
- The best place to buy a sim card is at the airport kiosks
- Even if you do not purchase an international roaming plan for your current India number, remember to activate roaming so that you receive messages (important for things like OTPs).
