Look out for the local bread rolls - 'Wachauer Laberl' - the home of which are the Schmidl bakery in Dürnstein. You may also get to enjoy some local apricots - another Wachau speciality!

13:30- 15:30- Visit the historic Danube village of Dürnstein

The small town of Dürnstein on the River Danube in Lower Austria, is one of the most visited tourist destinations in the Wachau Valley region and is affectionately called 'the pearl of the Wachau'.

Enjoy wandering around the beautiful and unique medieval town, with its lovely shops, restaurants and historical buildings. There is a single main street to explore and several alleyways and courtyards leading down to the Danube.

Start at the 'Krems Gate' - the gateway to the heart of Dürnstein and visit the town's remarkable Stiftskirche Cloister Tower, its blue façade, a striking Baroque masterpiece right on the banks of the River Danube and the Dürnstein Town Hall, located in a pretty courtyard in the centre of the town. Walk to the end of the main street you and will arrive at the 'new castle', a commanding structure built on the rocks overlooking the River Danube, which now operates as a hotel - the SchlossHotel.

Overlooking Dürnstein is the ruin of Burgruine Castle, where famously in 1192 Richard the Lionheart was imprisoned and held captive for a year, during the Third Crusade, by Leopold V, Duke of Austria. In addition to walking up to the castle ruins on the hill, which takes about 20 minutes and offers superb views over Dürnstein, the Wachau Valley and the River Danube, you can follow the 'Lionheart themed trail'. This walking trail takes you on a journey through the Middle Ages, where you can learn all about the legend of Richard the Lionheart

15:30 - After exploring Dürnstein, make your way to the nearby village of Unterloiben

Unterloiben is just a 5 minutes drive from Dürnstein so we suggest you leave your car in the car park and walk - follow the signs to Unterloiben through the vineyards and past the famous French memorial landmark. You can also walk by way of the river path. Walking, it just takes 15-20 minutes.

Oberloiben and Unterloiben, collectively known as the 'Loiben villages', are nestled in the heart of the world-famous Wachau vineyards and home to some top wineries. In the Wachau there are some 150 officially named vineyard sites and many are steep and terraced. The best vineyards produce some of the world's finest white wines with great ageing potential.
