- Dress modestly (especially outside major tourist zones) and be conscious of local customs — this reduces unwanted attention or misunderstandings.
- Avoid walking alone at night in unfamiliar or poorly lit areas. If you need a taxi, use **registered vehicles or ride-hailing apps** rather than unmarked taxis.
- Store valuables (passport, money, electronics) in a secure bag or safe (like in hotel). Don't carry everything with you on outings.
- Have a small first-aid kit and keep any essential medication with you (and a copy of prescriptions). Health-care standards vary, especially outside major cities
